Health Professions Program Description:

The Health Professions Technical Certificate is designed to provide instruction that assists in mastery of core knowledge and skills to provide the foundation for various health professions. Students exiting this program may enter the healthcare support workforce as nursing assistants, emergency medical technicians, community health workers, phlebotomists, or continue advanced training and education. NOTE: Technical courses required for this program may be transferable towards a limited number of associate and baccalaureate degrees. Contact advisor for information regarding transferability.

Major Requirements: 35 hours

To be eligible for a Technical Certificate from the University of Arkansas at Monticello College of Technology-McGehee, a student should complete a Program of Study approved by his/her advisor upon entering the University. The Program of Study indicates the minimum semester hours of unduplicated credit at the technical certificate level and is for informational purposes only; it is the responsibility of the student to meet all requirements to be eligible for a technical certificate. The University reserves the right to substitute courses. Some courses require pre-requisite and/or co-requisite classes. Some courses may be offered only during specific semesters. This Program of Study requires Related Instruction to be completed during any semester/term of enrollment. Contact your advisor or Assistant Vice Chancellor for specific information.

Students who score below the required minimal level on the entrance exam may be required to take additional credit hours as part of this University's developmental education program. See current academic catalog for more information.

The technical certificate may serve as a terminal credential or as an intermediate credential for students who wish to pursue an associate or baccalaureate degree program.

For more information about this certificate, contact your program advisor by calling 870-222-5360. Students may also visit www.uamont.edu.

Specific Graduation Requirements

In addition to completing all coursework, the University of Arkansas at Monticello College of Technology-McGehee, requires all students who are eligible for this technical certificate to meet the following criteria:

1. Degree Audit
