The Council approved the October 7, 2008 minutes by a vote of acclamation.

The Council discussed and approved the following two proposals from the School of Education.

1. Modify the MAT Program to include P-4 Early Childhood. Dr. Bryant stressed the need to be clear about which courses the students will take.
2. Add MAT EDUC 5XX6 Early Childhood Teaching Methods. Dr. Bryant requested additional information, such as the number of lecture/onsite course hours will be required because the course is partially web-based. One modification was noted: the date on the proposal should be June 1, 2009 not July 1, 2009.

The meeting adjourned at 3:27 p.m.
