

UAM Recommended Lender List

You have a **CHOICE!** Carefully choose a lender that is best for you! Lenders listed below have been selected after careful review of their benefits to you, the borrower. You are welcome to select any lender, on or off this list, who participates in the federal student loan program to process your loans. The loan servicers offer various options for repaying your loans and incentives for timely repayment.

Benefits are subject to change.

Therefore, we encourage you to review each lender and their benefits by visiting their website.
