

FACULTY/STAFF IPHONE

- Go to Settings, Mail Contacts/Calendar, Accounts, Add Account: Choose **MICROSOFT EXCHANGE**
- Turn **Wifi OFF**

The screenshot shows the 'Account Information' screen for a Microsoft Exchange account. The title bar at the top contains 'Cancel', 'Account Informa...', and 'Done' buttons. The main content area consists of several rows of fields:

- Email:** *****@uamont.edu
- Server:** uam-email.uamont.edu
- Domain:** uamont.edu
- Username:** *****
- Password:** A series of 10 blue dots representing a masked password.
- Description:** UAM Email
- Use SSL:** A toggle switch that is currently turned **ON**.
