

STUDENT IPHONE

- Go to Settings, Mail Contacts/Calendar, Accounts, Add Account: Choose **MICROSOFT EXCHANGE**
- Turn **Wifi OFF**

The screenshot shows the 'Account Information' screen for a Microsoft Exchange account. The title bar at the top contains 'Cancel', 'Account Informa...', and 'Done' buttons. The main content area consists of several rows, each with a label on the left and a value on the right:

- Email:** *****@uamont.edu
- Server:** uam-studmail.student.uamont.edu
- Domain:** student.uamont.edu
- Username:** *****
- Password:** Represented by six blue dots.
- Description:** Student Email
- Use SSL:** A toggle switch is currently turned **ON**.
