

*University of Arkansas at Monticello
College of Technology - McGehee
Technical Certificate Program of Study
Emergency Medical Technology*

To be eligible for a Technical Certificate from the University of Arkansas at Monticello College of Technology-McGehee, a student should complete a Program of Study approved by his/her advisor upon entering the University. The Program of Study indicates the minimum semester hours of unduplicated credit at the technical certificate level. Specific certificate requirements are listed on this Program of Study.

The Program of Study is for informational purposes only; it is the responsibility of the student to meet all requirements to be eligible for a technical certificate at UAM College of Technology – McGehee. The University reserves the right to substitute courses.

NOTE: Some courses require pre-requisite and/or co-requisite classes. Some courses may be offered only during specific semesters. Due to the nature of the program, students in the EMT program must be continuously enrolled; that is, courses during summer terms have required enrollment for Summer I and these same courses conclude Summer II. Contact your advisor or Director of Instruction for specific information.

Students who score below the required minimal level on the entrance exam may be required to take additional credit hours as part of this University's developmental education program. See current academic catalog for more information.

The technical certificate may serve as a terminal degree or as an intermediate degree for students who wish to pursue an associate or baccalaureate degree program.

For more information about this certificate, contact the UAM College of Technology – McGehee's Office of Student Services or call 870-222-5360 ext. 5220. Students may also visit www.uamont.edu.
