

## **International Travel/Study Programs:**

During the Intercession period between the Spring and Summer I Semesters, one international field study trip is offered. Students earn up to 3 credit hours at the 3000/4000 level for successful completion of the trip and its academic requirements.

Currently, the SSBS offers a British Isles Study Program that provides up to 20 students the chance to study (on a rotating basis) in England, Ireland, or Scotland.

In 2010, students earning CJ and Political Science credit travelled to Ireland, see photo below.
