

**University of Arkansas at Monticello
Program of Study**

**Bachelor of Science Degree in Psychology
Minor will be chosen by the student**

To be eligible for a baccalaureate degree in eight semesters from the University of Arkansas at Monticello, a student must file a Program of Study approved by his/her advisor upon entering the University. The Program of Study must contain a minimum 124 semester hours of unduplicated credit at the 1000-level or above, 40 of which must be upper-level credit hours. Students planning to teach should review the certification requirements provided by the School of Education. Specific degree requirements are listed at the end of this Program of Study. The Program of Study is for informational purposes only; it is the responsibility of the student to fulfill all requirements for graduation at the University of Arkansas at Monticello. The Program of Study is subject to change as academic program changes are needed to comply with the Arkansas Department of Higher Education regulations. **NOTE:** Some courses require pre-requisite and/or co-requisite classes. UAM reserves the right to substitute courses. Contact the department chair for specific information. Students who score below the required minimum level on placement exams will be required to take additional credit hours as part of this University’s developmental education program. See the current academic catalog for more information. *Courses that fulfill the General Education Requirements are in italics.*

Bachelor of Science Degree in Psychology - The Psychology major provides students with the basic skills needed to pursue a career in the field of Psychology/Human Services. The major offers students the ability to develop skills through classroom and field experiences. Students seeking a degree in psychology should actively participate in all activities relevant to the program. Students should consult an advisor or the University catalog when selecting a minor. For more information about this degree or any of the activities associated with it, contact the UAM School of Social and Behavioral Sciences located in the Memorial Classroom Building (MCB) or call 870-460-1047. Students may also visit www.uamont.edu.
