

**University of Arkansas at Monticello  
Program of Study**

**Bachelor of Social Work  
Comprehensive Major (No Minor Required)**

To be eligible for a baccalaureate degree in eight semesters from the University of Arkansas at Monticello, a student must file a Program of Study approved by his/her advisor upon entering the University. The Program of Study must contain a minimum 124 semester hours of unduplicated credit at the 1000-level or above, 40 of which must be upper-level credit hours. Students planning to teach should review the certification requirements provided by the School of Education. Specific degree requirements are listed at the end of this Program of Study. The Program of Study is for informational purposes only; it is the responsibility of the student to fulfill all requirements for graduation at the University of Arkansas at Monticello. The Program of Study is subject to change as academic program changes are needed to comply with the Arkansas Department of Higher Education regulations. **NOTE:** Some courses require pre-requisite and/or co-requisite classes. UAM reserves the right to substitute courses. Contact the department chair for specific information. Students who score below the required minimum level on placement exams will be required to take additional credit hours as part of this University's developmental education program. See the current academic catalog for more information. *Courses that fulfill the General Education Requirements are in italics.*

**Bachelor of Social Work** - The social work program, utilizing the principle of empowerment, equips students for practice in the various arenas appropriate for social workers licensed at the bachelor level. The program employs both class instruction and field practice opportunities, where students have the opportunity to systematically increase their theoretical knowledge of practice by successfully completing the course content in sequence and may then demonstrate the synthesized information in their field instruction component while under the supervision of both a placement field instructor and the director of field work. Students seeking a degree in Social Work should actively participate in all activities relevant to the program. Students should consult an advisor or the University catalog when selecting a minor. For more information about this degree or any of the activities associated with it, contact the UAM School of Social and Behavioral Sciences located in the Memorial Classroom Building (MCB) or call 870-460-1047. Students may also visit [www.uamont.edu](http://www.uamont.edu).
