Dear Campus Community,

We write to you now as we wrap up the second full week of the semester and as we approach a holiday weekend. Over the past few weeks, it has been encouraging to see how the campus community (students, faculty, and staff) have taken personal responsibility for doing what it takes to stay healthy, to continue in-person learning, and to protect each other from the spread of COVID-19.

There are some members of the campus community who have to be reminded from time to time, or who are not taking the precautions as seriously as others and we will continue to engage with those individuals on the merits of the health and safety guidelines, the directives from Arkansas Department of Health, and the responsibility we all have to each other.

Going into this holiday weekend, it is more important than ever that we all re-examine our personal practices when it comes to health and safety, and re-commit to doing what we can to enable us to continue on with a fruitful and successful semester. So, over this weekend and into the remainder of the semester, we are asking everyone to follow the guidelines below, whether on campus or off.

- ✓ Stay home when possible and limit unnecessary travel.
- ✓ Wear a mask.
- ✓ Stay 6 feet from others.
- ✓ Wash your hands often.
- ✓ If sick, get tested then stay home.
- ✓ Clean and disinfect your surroundings often.
- ✓ Cover coughs and sneezes.
- ✓ Don't touch your face.

We are wishing all you a safe and healthy Labor Day weekend. ***We've got this, Weevils!***

Sincerely,

Crystal Halley, J.D.

Interim Vice Chancellor for Academic Affairs

Michael J. Davila

*Associate Vice Chancellor for Student Engagement & Dean of Students
Title IX Coordinator*
