

Carol Jones, Harding University College of Pharmacy
Fall 2011 Visit

- 1) Harding will graduate first class soon, and once that class takes board exams, accreditation will follow soon.
- 2) Harding's requirements are slightly different than some other programs.
 - Anatomy and Physiology required (will accept UAM's Comparative Anatomy and Vert. Phys)
 - Statistics required (UAM's Psychology stats acceptable)
- 3) Harding has 60 seats per class, and interviews about 120 people.
- 4) Consider acceptances after application is complete and interviews over
- 5) Some things about the interview:
 - Personal appearance is important.....dress professionally
 - Research the college prior to interview
 - Be willing to describe your approach to academics (how to handle different courses)
 - Personal and Academic strengths and weaknesses
 - Show your passion for the profession
 - Interpersonal and verbal abilities are important
 - Personal activities and interests may be asked
 - books read, movies, etc...
 - Will have Supplemental Essay....Why Harding? Why Pharmacy?
- 6) Use PharmCAS application service
 - \$150 to apply to one school, \$200 for two schools, \$250 for three schools
- 7) Pearson does PCAT. Website is www.pcatweb.info/
- 8) Pearson site sells practice PCAT exams 1 for \$40, 2 for \$60, 3 for \$80
- 9) Register early!
- 10) Keep in contact with Harding's COP website at: www.harding.edu/pharmacy/
