

University of Arkansas at Monticello College of Technology - McGehee
Technical Certificate Program of Study - Early Childhood Education

To be eligible for a Technical Certificate from the University of Arkansas at Monticello College of Technology-McGehee, a student should complete a Program of Study approved by his/her advisor upon entering the University. The Program of Study indicates the minimum semester hours of unduplicated credit at the technical certificate level. Specific certificate requirements are listed on this Program of Study.

The Program of Study is for informational purposes only; it is the responsibility of the student to meet all requirements to be eligible for a technical certificate at UAM College of Technology – McGehee. The University reserves the right to substitute courses.

NOTE: Some courses require pre-requisite and/or co-requisite classes. Some courses may be offered only during specific semesters. This Program of Study requires General Education courses to be completed during any semester/term of enrollment. Contact your advisor or Director of Instruction for specific information.

Students who score below the required minimal level on the entrance exam may be required to take additional credit hours as part of this University’s developmental education program. See current academic catalog for more information.

The technical certificate may serve as a terminal credential or as an intermediate credential for students who wish to pursue an associate or baccalaureate degree program.

For more information about this certificate, contact the UAM College of Technology – McGehee’s Office of Student Services or call 870-222-5360 ext. 5220. Students may also visit www.uamont.edu.

Student Learning Outcomes (SLO's) for the ECE Program

Students successfully completing the UAM CTM Early Childhood Education program will be able to:

1. Plan a safe, healthy learning environment for children in early childhood.
2. Advance children's physical and intellectual development.
3. Implement positive strategies to support children's social and emotional development.
4. Establish productive relationships with families.
5. Implement strategies to manage an effective program operation.
6. Maintain a commitment to professionalism.
7. Be familiar with a variety of appropriate observation and assessment tools to document children's development.
8. Understand and apply principles of child growth and development.

Specific Graduation Requirements

In addition to completing all coursework, the University of Arkansas at Monticello College of Technology – McGehee, requires all students who are eligible for this technical certificate to meet the following criteria:

●Degree Audit

●At least 2.00 cumulative GPA

My signature below indicates that I (student) agree that it is my responsibility to meet all UAM requirements to be eligible for a technical certificate. This document serves only as a guide to help me fulfill specific program requirements. This University reserves the right to substitute other courses.
