FINANCIAL LIABILITY

By enrolling in classes, either during preregistration, regular registration or late registration, students are creating a financial liability in the amount of fees, tuition, and other charges pertinent to the enrollment process. This financial liability can be eliminated only by payment or formal cancellation of enrollment before the semester begins. This liability exists even if a student fails to receive financial aid or does not attend classes. Students must make the request to drop a course or withdraw from the University in person or through written communication. For more information, contact the Office of the Registrar at 870-460-1034 (Monticello), the Office of the Counselor at 870-364-6414 Ext. 125 (Crossett), or the Office of Student Services at 870-222-5360 (McGehee).

NELNET PAYMENT PLAN

To help students meet their educational expenses, the University of Arkansas at Monticello is pleased to offer the NELNET Payment Plan. NELNET is a tuition-management plan that provides students with a low cost option for budgeting tuition and other educational expenses. **It is not a loan program;** therefore, the student has no debt, there are no interest or finance charges assessed, and there is no credit check. The only cost to budget monthly payments through NELNET is a \$25 per semester NELNET non-refundable enrollment fee. The enrollment fee is automatically deducted within 14 days of the agreement being posted to the NELNET system.

To participate in the NELNET Payment Plan, students are to visit the UAM home page at www.uamont.edu, click on "Current Students" (under the Information For section) and then choose the "E-cashier" icon.

FINANCIAL AID

Students who do not begin attendance in all enrolled courses, who do not participate in their online courses, or who stop attending/participating without officially dropping or withdrawing are reported to the Office of Financial Aid.

Students who receive Title IV aid and do not complete at least 60% of the semester for which they are enrolled may be

required to return a portion of the federal funds received. Title IV aid includes, but is not limited to, Federal Pell Grants, Federal Supplemental Educational Opportunity Grants (SEOG), Stafford Loans, and any other Title IV programs that may be awarded based on the Higher Education Act of 1965 as Amended. In most cases, the withdrawal calculation date for students who officially withdraw will be the actual date of withdrawal as determined by the Registrar's Office. Students who cease attending without officially withdrawing are considered "unofficial withdrawals." The midpoint of the semester (or in some cases, the last date of attendance) will be used in determining the amount of aid to be returned for unofficial withdrawals.

Withdrawing from the University, either officially or unofficially, may require that a student return a substantial amount of the Title IV funds received. Examples of actual Return of Title IV Funds calculations are available in the Office of Financial Aid (Monticello) or the Office of Student Services (Crossett or McGehee).

Students who have to withdraw at any point, or have any financial aid question, should visit or contact the UAM Office of Financial Aid in Harris Hall Room 300 (telephone: 870-460-1050 or toll free: 1-800-226-2643).

REFUNDS

Any student must present his/her UAM student ID to pick up a refund check. Refund checks can be picked up at the Cashier's window at the Monticello location during regular window hours. Any student due a refund may request that the check be mailed to him/her. The request should be made by calling 460-1043 (local) or 1-800-226-2643 (toll free) and asking for the Cashier's office.

All refunds for students enrolled exclusively at Crossett and/or McGehee will be mailed.

TUITION REFUND POLICY

January 11-18: 100% refunds will be given to students who officially withdraw from any or all of their classes. After January 18, no refunds will be given to students for individual course drops.

January 19-25: 50% refunds will be given to students who officially withdraw from all classes. After January 25, no refunds will be given to students who withdraw from the University.

Students who wish to officially withdraw from the University must complete a withdrawal form from the Office of the Registrar located in Harris Hall at the Monticello location; the Office of the Counselor at the Crossett location; or the Office of Student Services at the McGehee location.

The UAM refund policy is subject to change if required by federal regulation or upon approval of the UA Board of Trustees.

FREQUENTLY ASKED QUESTIONS

Why did I get dropped from my classes? I had more than enough financial aid to pay my bill. All students must finalize their registration with a cashier at one of the three campus locations, or by mail, or by fax, or by emailing cashiers@uamont.edu. This is necessary even when the bill shows a credit balance.

How do I access my on-line class? Any course offered by the on-line method of delivery can be accessed via the UAM homepage (<http://www.uamont.edu>). Students experiencing difficulty accessing the class should contact the instructor for further information.

I don't know who my advisor is. How can I find out? And what if my advisor is not available? Go to the UAM home page (www.uamont.edu) and log into WeevilNet. Select Self Service, and then select Student Center. Your advisor will be listed in a box on the right hand side of the page. At the Monticello location, you may also call Academic Affairs (460-1032) or the Registrar's Office (460-1034). If your advisor is unavailable, go to your academic advisor's unit head. He/she will be able to help you. At Crossett, contact the Counselor's Office at 870-364-6414 ext. 125 for advising. At McGehee, contact the Office of Student Services at 870-222-5360 for advising.

My bank sends my loan funds electronically. How will I know when my loan funds are applied to my student account? Students can print a copy of their bill at the computer on the first floor of Harris Hall (Monticello), at the Office of Student Services (Crossett), or at the computer outside the Office of Student Services (McGehee). The bill is itemized to show when loan funds have been credited to student accounts.

NOTE: Lack of knowledge or incorrect interpretation of University policies and regulations does not remove the student from the obligation to satisfy all requirements for a degree or certificate. The student bears the ultimate responsibility for completing a degree or certificate program.
