
SCHOOL OF FOREST RESOURCES

GRADUATE APPLICATION

University of Arkansas at Monticello

Application to graduate school and acceptance by the University of Arkansas at Monticello allows students to enroll in graduate courses. However, in addition to being accepted by the University, students desiring to pursue a course of study leading to the Master of Science in Forest Resources must also make application to and be accepted by the School of Forest Resources. For consideration by the School of Forest Resources, please complete the following form and return it to the address below. Also, distribute copies of the *Graduate Application Reference Form* to three (3) individuals that are familiar with your qualifications and have them return the forms directly to the Graduate Program Coordinator.
