

ASSOCIATE OF APPLIED SCIENCE IN GENERAL TECHNOLOGY

Students attending UAM-CTC may enter a program that allows them to earn an Associate of Applied Science degree. The courses required for the AAS will be offered on the UAM-CTC campus or virtually.

DEGREE OPTION 1: A student completes all the requirements for a one-year technical certificate. A student must also complete the required 15 hours of general education courses, plus additional elective hours (either technical or non-technical courses) for a total of **60** credit hours.

		Required General Education Courses: 15 hours
ENGL	10103	Composition I
ENGL	10203	Composition II
MATH	22163	Advanced Industrial Math
PLSC	20003	American National Government
		One of the following, appropriate for the field of study:
HIST	21103	American History I
HIST	21203	American History II

All general education courses may be applied toward a baccalaureate at UAM or transferred to another university.

DEGREE OPTION 2: A student completes 24 hours in a major technical area and 21 hours in the technical core of support courses from other related technical disciplines and completes 15 hours of required general education courses. With the approval of the academic advisor or unit head and the Vice-Chancellor of Academic Affairs, the student may select courses from one or more technical disciplines and develop a coherent technical program that will prepare him/her for employment in occupational and technical fields.

		Required General Education Courses: 15 hours
