Printing a Certificate of Completion

In order to verify that you have completed the course, you can print a certificate of completion. There are 2 ways to access your certificate. While looking at the list of courses, you can do one of the following:

- Click on the magnifying glass icon on the left of the course title.
- Click on the word "Complete" to the right of the course title.

Both of these actions will bring up a pop-up window, which includes the course description and table of contents. There is a button in the bottom of this window that says "Print Certificate of Completion". (If this button is not visible, you have not completed each lesson in the course.)
