

UAM Concurrent Enrollment Checklist

To be considered for concurrent credit, new incoming students must complete an online application. All required documents (listed below) must be uploaded to SharePoint by the school liaison. Each document must be uploaded as an individual file within the student's folder. Applications missing any required documents will not be processed.

Upload each item as a separate file using the following naming format: Last name, First name – Document name (*Example: Jones, Tracie – Immunizations*).
