

**University of Arkansas at Monticello  
School of Social and Behavioral Sciences**

**Requirements for a Minor in Human Services      18 hours**

SWK 1003 Survey of Social Work

PSY 4643 Applied Human Services

PSY 3463 Principles of Guidance and Counseling

9 credit hours of electives in SOC, SWK, or PSY

NOTE: The Human Services minor is designed primarily for Psychology majors to: 1) prepare students for human services careers across a wide range of settings, and 2) provide a theoretical foundation and specific applied skills needed for Bachelor's level employment in the field. Students who choose to pursue the Human Services minor, particularly those with majors other than Psychology, will also need to take PSY 1013 Introduction to Psychology as it is a prerequisite for all upper level Psychology courses.
