A red arrow points from the 'UAM-Secure-M' network to the password entry screen. The screen is titled 'Enter the password for "UAM-Secure-M"'. It has 'Cancel' and 'Join' buttons at the top. Below, there is a 'Username' field with the text '@uamont.edu' and a 'Password' field.

Step 8: Be Aware of IT Resources

- **Download Microsoft Apps For Free** (Outlook, OneDrive, Word, Excel, PowerPoint)
- **Printing** options located in the library
- **Laptops and portable internet hotspots** to check out from the library (***First Come, First Serve Basis***)
- **Computer labs** located in certain buildings
- **Interactive Campus Map** to direct new students on campus
- **Campus-wide calendar** where many different departments share events to attend

Step 9: Don't Be Phishy

- UAM will not send emails to your UAM Student Email account asking you for your account information or password. If you receive emails "appearing" to be from UAM or another official-looking sender (Microsoft) - **DO NOT reply to ANY emails OR click on links in emails. These are Spam/Phishing emails.**
- Please forward all suspicious emails to spam@uamont.edu to help get them cleaned up and the scammer's address blocked. When we stop those outside addresses, it prevents anyone from communicating with those scammers. Scammers will often ask you to use a personal email. Valid email requests would not need you to use private email. Anytime something sounds too good to be true, or someone is being pushy about needing something from you, you can believe it to be a phishing email.
- Emails classified as spam/junk will be in the **Junk Email folder** to review within Outlook. If an email is in the Junk Folder, it is considered junk by the system. You can mark it as a safe sender if you know it's legitimate. If you do not know the sender or know the email is legitimate, please do not reply to those emails.

Step 10: Practice Your Tech Skills

A student should have basic computer skills including:

- **Operate a Windows-based computer (or MAC if that's what you have) and all its basic functions**
- **Make sure you know how to update your PC to ensure it is running the latest version of its operating system.**
- Create folders in your File Explorer to organize course documents and assignments you need to submit
- Find, copy, move, rename, and delete files
- Always make sure your assignments are saved in the correct area on your computer and double-check to ensure you saved them where it belongs.
- Create backup files just in case your computer crashes
- Create, edit, format, spell check, save, retrieve, and print a document correctly
- **Make sure you have Microsoft Office Products installed on your PC.**
- Copy/paste information
- **Use email to: Send, receive, store, and retrieve messages.**
- Send, receive, and open attachments
- Utilize and understand a web browser to access the internet
- **Download Internet Browsers/Update Internet Browsers/Clear the cache/cookies/browser history.**
- Work with videos (recording them/saving them/uploading them)

UAM Alert (RAVE)

- UAM has partnered with Rave Mobile Safety to provide an emergency alert system capable of delivering messages to your UAM and personal email addresses as well as your landline and cell phone.
- These messages alert students to bad weather, power outages, campus closings, etc.
- All students are automatically enrolled and will receive an email with details on how to access their account.
- For the Rave Mobile Safety to be effective, you must make sure your contact information is up-to-date in WeevilNet.

Addressing Unplanned Pregnancy Prevention Among College Students

Act 943: Unplanned Pregnancy Prevention

- Act 943, passed by the Arkansas Legislature in 2015 directs college and universities to develop and implement action plans to help **students prevent unplanned pregnancy** or delay plans for additional pregnancies.
- Arkansas is **#1** in birth rates for 18–19-year-olds and unplanned births result in **1 in 10 college dropouts***. The topic of preventing unplanned pregnancy is relevant for both college men and women, for those who are already parents, as well as those who are not parents.

Student Conduct

Homeless/Foster Students

- There are unique opportunities available to students who are homeless, in foster care, or who left foster care at 18 years of age.
- These include financial aid opportunities and other means of financial assistance.
- Student Engagement is committed to helping those specified students applying for and receiving federal and state financial aid.
- We will also assist in navigating and successfully managing coursework and student life.
- Any student who meets these criteria may contact the Homeless and Foster Student liaison:

Sydney Gavin-Herron, J.D.

Coordinator of Student Conduct & Deputy Title IX Coordinator/ Title IX Investigator

BE AN UPSTANDER

- Bystander Intervention
- Prevention Strategy
- How? Equipping the Community
- Essentially – to be an **UPSTANDER**

UPSTANDER TIPS

- Step in and ask if the person needs help
- Don't leave
- Have a buddy system, and let your friends know if you're worried about them
- Ask directly, "Do you need a ride?"
- Find their friends or call 911
- Distract the perpetrator so there's time to intervene

BE AN UPSTANDER

First-Time Training:

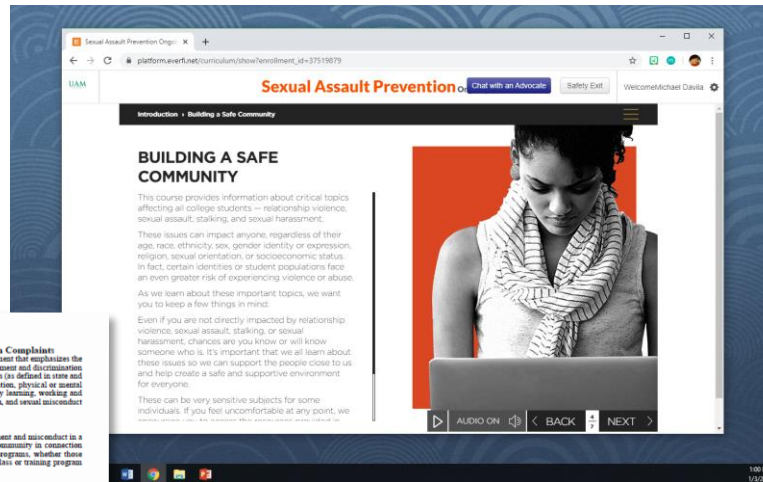

Training is integrated into orientation for staff, faculty, and students.

Online & Ongoing:

Education and training is offered both in online and in-person capacities to better serve all our students and student groups.

Policy:

The policy and procedures regarding sexual misconduct can be found online by visiting the Student Life section of the website.

Sexual Misconduct, Discrimination, Harassment, and Retaliation Complaint:
The University of Arkansas at Monticello is committed to providing an environment that emphasizes the dignity and worth of every member of its community and that is free from harassment and discrimination based upon race, color, religion, national origin, sex, or sexual orientation, physical or mental disability or genetic information. Such an environment is necessary to a healthy learning, working and living atmosphere. Accordingly, all acts of discrimination, harassment, retaliation, and sexual misconduct as defined by this Policy are prohibited.

JURISDICTION:
Title IX protects the University community from sexual discrimination, harassment and misconduct in a school's education programs and activities. Title IX protects the University community in connection with all academic, educational, extra-curricular, athletic and other University programs, whether these programs take place on University property, in University transportation, at a class or training program sponsored by the University at another location or elsewhere.

This Policy shall not be construed or applied to restrict academic freedom at the University, nor shall it be construed to restrict constitutionally protected expression.

Consistent with state and federal law, reasonable accommodation will be provided to persons with disabilities. All complaints or any concerns about conduct that may violate this Policy should be submitted to the Title IX Coordinator or respective Title IX Investigator listed below.

Sanctions

- Sanctions for students may include, without limitation, **expulsion**, **suspension** from the University, disciplinary **probation**, mandated **counseling**, and/or **educational sanctions** deemed appropriate.
- **Sanctions will be determined giving consideration as to whether a given sanction will:**
 - 1. Bring an end to the violation in question,
 - 2. Reasonably prevent a recurrence of a similar violation, and
 - 3. Remedy the effects of the violation.

Reporting Sexual Misconduct

- A faculty or staff member with any knowledge about a known or suspected incident of sexual misconduct must report the incident to the Title IX Coordinator.
- Report any observed, experienced, or known sexual misconduct, sex discrimination, sexual harassment, domestic violence, dating violence, stalking, or sexual exploitation.
- Call us to consult if you are not sure!
