THE PERFECT BALANCE

UAM is proud to offer students the best of both worlds in terms of the university's size and resources. At UAM, you'll live on a close-knit campus in a safe college town with substantial resources and support. We're part of the state's largest system of higher education, but UAM's class sizes ensure that your professors know you by name.

MORE THAN A CENTURY AGO, _____
with the founding of our institution in 1909, a tradition of educational excellence began in southeast Arkansas. Since then, UAM has significantly grown in its enrollment and expanded its mission to offer affordable, high-quality education to anyone motivated to achieve their academic goals. We have students from 28 states and 15 countries attending classes on our Monticello campus, online and at our Colleges of Technology in Crossett and McGehee.

Monticello...

A TOWN YOU WILL LOVE!

In Monticello, Arkansas, you will be greeted with a warm welcome. As the hub of the southeast corner of the state, this charming college town holds all of the amenities that you need for a fun and fulfilling university experience. And taking a drive to a large metro area in our region is a great way to bond with your new friends.

Monticello population: 8,176 • Drew County population: 17,350

EXPLORE

LAKE MONTICELLO

less than 15 minutes from campus

4 MILES
hiking/biking trails

18-HOLE
disc golf course

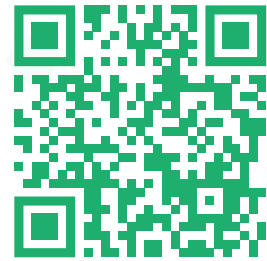

For a city of its size, Monticello has an impressive array of things to see and do! With Food Truck Fridays, city parks, disc golf, a bowling alley, a skating rink, a skate park, a movie theater and shopping, you're sure to find something fun to do in your spare time.

CAMPUS HOUSING

and residence life

How will you decorate your dorm?

Contact our staff in the Office of Residence Life for more information about your housing options and the benefits of living on campus. You can tour your preferred hall during your visit to campus.

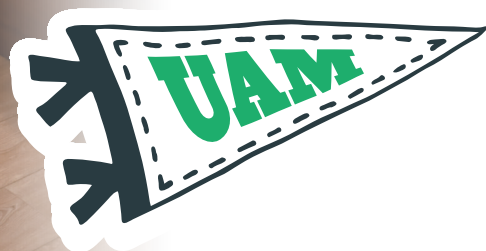

CHECK OUT
UAM RESIDENCE LIFE

@UAMResLife

For a preview of your next home away from home, contact reslife@uamont.edu or (870) 460-1045.

Should I live on campus?

The short answer: *OF COURSE!* We have more than 450 students who choose to live on campus each year. Living on campus is an easy way to become a part of our UAM community, but that's not the only benefit.

CONVENIENCE

Short walk to classes

Meal plans

Cost-effective

MORE TIME TO
STUDY, WORK OR
PLAY ON CAMPUS

OPTIONS THAT FIT YOU

With halls that feature double rooms, private rooms, apartment style or suite style and single-sex or co-ed living, you're sure to find a living arrangement that fits you. But don't wait to apply—housing space fills fast! We recommend completing your housing application as soon as it opens. For the fall semester, that usually occurs in mid-fall.

MAKE CONNECTIONS

It's easy to meet people on campus when living in a residence hall. The Office of Residence Life (and each residence hall) hosts events all year that will help you to meet your neighbors and make new friends. Joining in is a fun and an effective way to find groups on campus that share your interests.

CAMPUS SWEET CAMPUS

5 HOUSING OPTIONS

	Shared Rooms	Private Rooms	Shared Bathrooms	Suite Style Bathrooms	Community Bathrooms	Inside Hallways	Outside Hallways	Allowed To Cook
BANKSTON	X		X	X		X		
HORSFALL*	X	X			X	X		
MAXWELL	X		X	X			X	
ROYER**	X	X			X	X		
UNIVERSITY APARTMENTS		X	X				X	X

Each residence hall includes room furniture (dresser, wardrobe/closet, desk, chair, bed), Wi-Fi, free laundry and common areas to gather.

*Female Students Only
 **Music Living & Learning Community—Preference is given to music majors, but any student can apply to live here.

Learn more about our five residence halls and find the right space for yourself.

DON'T JUST SLEEP IN YOUR RESIDENCE HALL—LIVE IN IT!

When you move into your new room at UAM, you can make it your own. Each hall has its own perks, and each room is unique. Choose a roommate or get matched up—you pick (as long as you sign the housing contract early enough). Meet your new neighbors and classmates at regular events on each floor and in each hall. And remember that easy access to on-campus activities and resources means on-campus residents are more likely to finish their degrees on time. Come live with us—it's the smart choice!

Dining on campus is easy with a meal plan!

Students living on or off campus can choose a dining meal plan and eat at our dining hall. Each meal plan also includes a declining balance that can be spent at the Boll Weevil Bistro: We Proudly Serve Starbucks, Chick-fil-A and the campus convenience store.

Mobile ordering through the GrubHub app allows you to place an order as you leave one class and pick it up on the way to your next one.

Special diet?

Your voice. Your choice. The UAM Dining Hall has several meal options available each day, and if you have any food allergies or dietary needs, we can accommodate you. Plus, campus dining has a nutritionist to assist in serving our students the kinds of foods that they need and want! We're always trying new things and finding ways to get students involved in what menu items are offered. Student feedback is important and a huge part of how we operate. You will have a voice when it comes to what we serve!

Your Major, Your Future

Whatever you plan to study, UAM will get you on the academic path that you need to prepare for life after graduation. With a 12:1 student-to-faculty ratio, you're in the capable hands of professors who give you the attention you deserve in the classroom. When you visit campus for a tour, you can even speak to a faculty member in the department of your future major. Let us know when you schedule your visit if you have already chosen your field of study.

That's the acceptance rate for UAM math and science students who applied to professional programs (medical, dental, pharmacy, optometry or veterinary schools) and graduate programs in the 2023-2024 academic year. Consistently, an average of more than 90% of UAM applicants get accepted into these competitive programs on their first attempt.

positioning you for
SUCCESS

We care about your success!
In offering programming and services that foster the overall well-being of our students, we position UAM graduates for both **personal growth & professional success.**

Tutoring

Walk in or schedule an appointment for one-on-one tutoring sessions with a student who excels in the subject area that you want to discuss.

Work

Work on campus to get valuable job experience. It's convenient and valuable for your professional development. Each year, UAM hires more than 200 student workers across campus.

Career Services

Career Services can set you up with skill workshops, internships and student jobs to prepare you for "the real world." Plus, the annual career fair is a great place to meet your future employer.

Library

Enjoy the extensive book collection in the Taylor Library and Technology Center. Beyond physical research materials, you'll also have access to online databases and resources, not to mention equipment and meeting spaces to make your group assignments and study breaks efficient.

Student Special Services

The Office of Student Special Services ensures that students, faculty and staff with disabilities are given the same rights and services as other students at the university.

Health

Health services include screenings, emergency first aid, assessment for minor illnesses and injuries, assistance with navigating the health care system, education opportunities and a convenient campus exercise center.

Academic Advising

Every student is assigned either a professional academic advisor and/or a faculty academic advisor to discuss academic expectations, degree requirements and career aspirations.

Counseling

The UAM Counseling Services Center offers students appointments with licensed counselors who can work with their primary care provider. Staff also host workshops on conflict resolution, relationships and stress management.

Writing

The Center for Writing and Communication offers help with pre-writing, drafting, revising and citations for papers in any subject.

At UAM, START STRONG and you can ACHIEVE ANYTHING.

STUDENT LIFE

Impromptu *concerts* on the clock tower quad are a common sight, and the *tailgating* festivities that surround home games are great times for the entire campus community. On UAM's lively campus, you'll make friends for life and create *memories* that you'll share for decades.

MAKE FRIENDS FOR LIFE!

YOU BELONG!

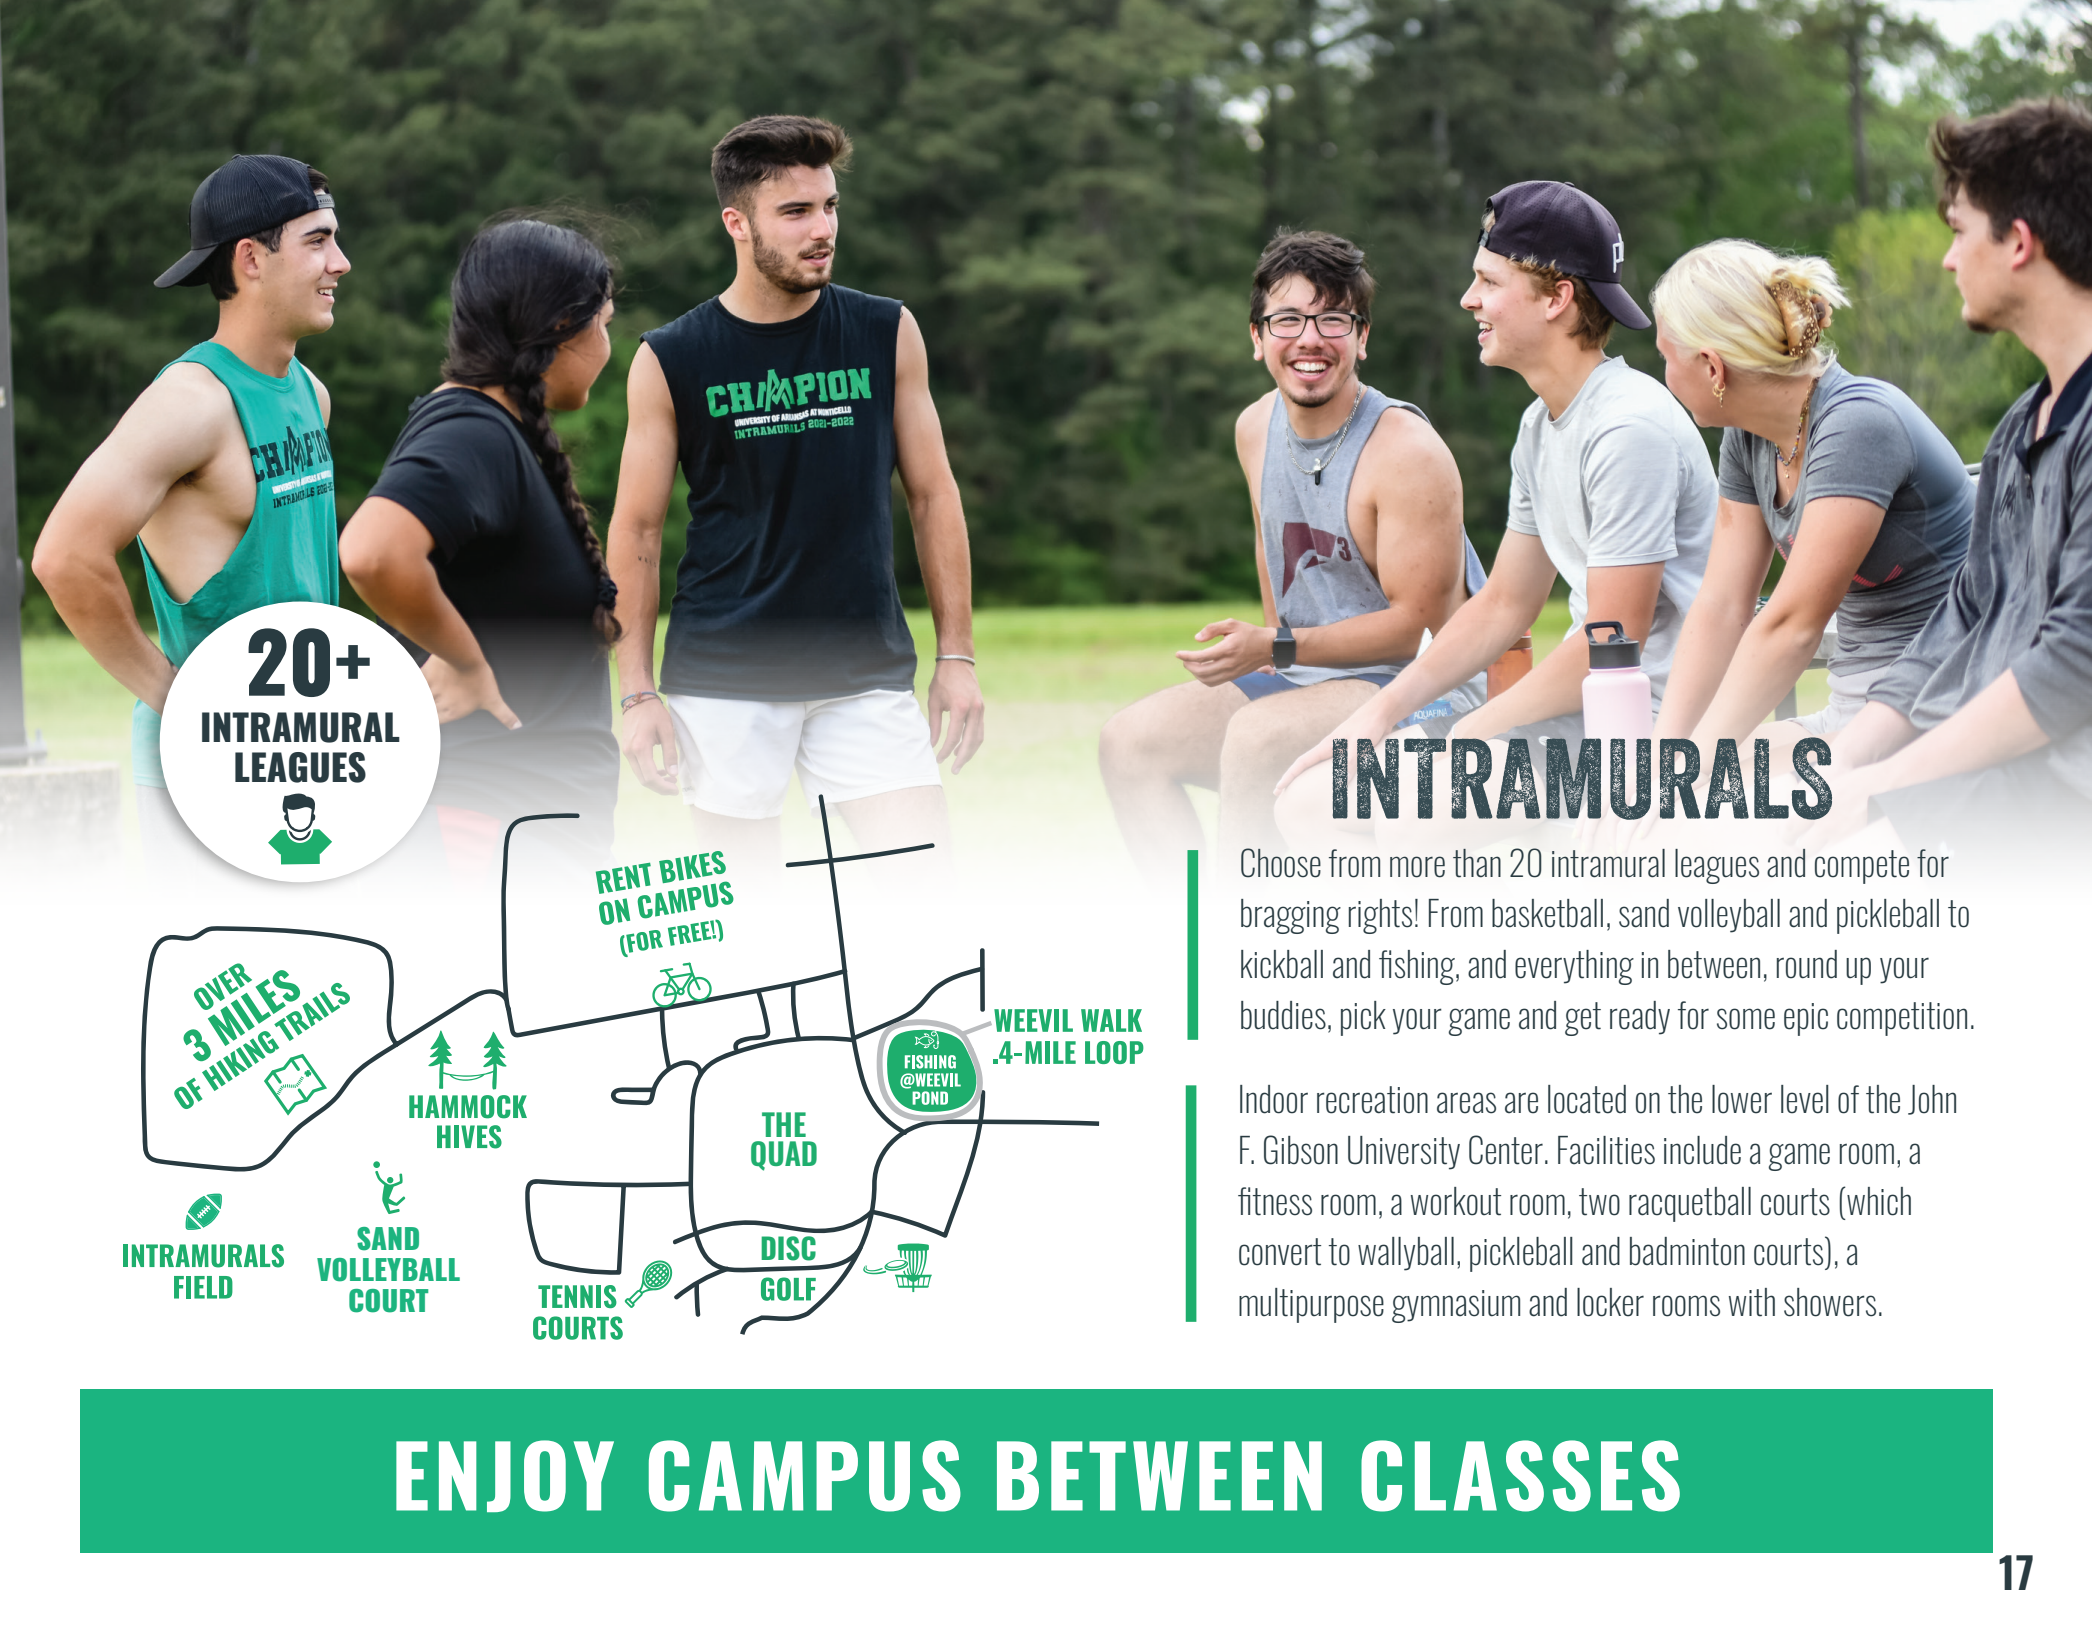

At UAM, find your perfect blend of academics and extracurricular activities.

SAB The **Student Activities Board** plans and hosts events across campus for students, like comedy acts, bowling nights, late-night feasts and homecoming competitions.

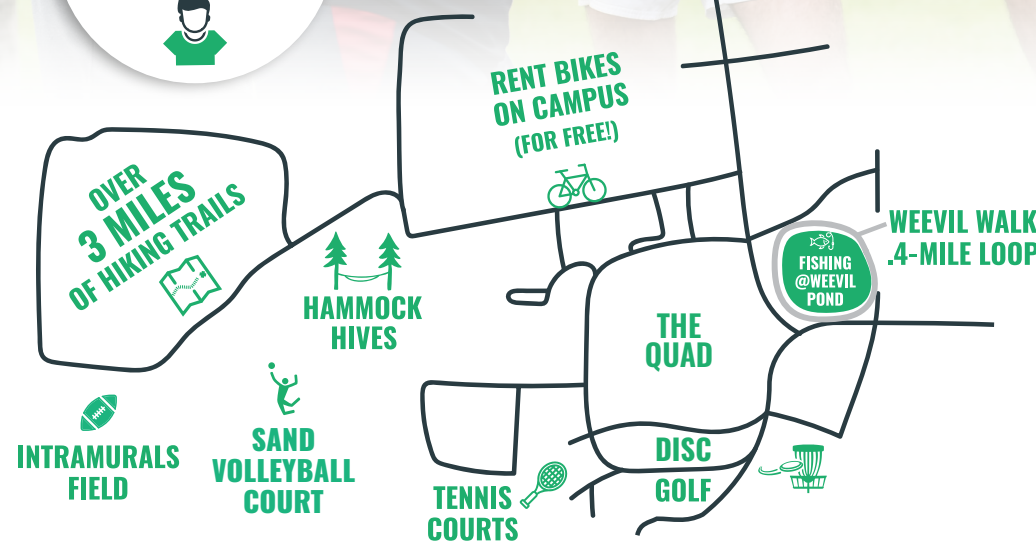

RSO With more than 50 **Recognized Student Organizations** to choose from, the opportunities to get connected to campus are plentiful. Network, learn, make friends and have fun. If you think of anything to add to our list of student groups, it's easy to start a new one.

SGA The **Student Government Association** includes officers and senators elected by their peers to advocate for the interests of UAM students.

2.5+ GPA
ACADEMIC SCHOLARSHIP
\$6,000 per year

19-23 ACT
2.5+ GPA
GREEN & WHITE SCHOLARSHIP
\$3,000 per year

WEEVIL LEGACY INSTITUTIONAL SCHOLARSHIP \$500 per semester

A freshman student who has been awarded an institutional scholarship and has a legal guardian who graduated from UAM with a technical certificate, associate degree, bachelor's degree or master's degree is eligible for an additional \$500 per semester scholarship. This nonrefundable award will continue to be applied as long as the student retains a freshman institutional scholarship.

HOUSING SCHOLARSHIP \$500 per semester

A freshman student who has been awarded an institutional scholarship is eligible to receive an additional \$500 per semester award to assist with paying for campus housing. If the student chooses not to live on campus or moves off of campus, the award will be forfeited. This nonrefundable award will continue to be applied as long as the student retains a freshman institutional scholarship.

! UAM superscores the ACT and accepts the SAT. The Green & White Scholarship may also be awarded through ACCUPLACER scores. First-time freshman students may also qualify for institutional scholarships based on their high school GPA.
