COVID-19 UPDATE FOR SPRING 2022

UAM will begin the Spring 2022 semester with face-to-face instruction. The UAM Command Team is closely monitoring COVID-19 projections in our area and across the country. Please review UAM's safety protocols and campus resources included below.

[Click here for more information about the Omicron variant and CDC recommendations.](#)

WEAR A MASK

UAM employees, students, and visitors are required to wear masks/face coverings at all times in indoor settings where physical distancing is not possible.

SOCIALLY DISTANCE

Socially distance on campus wherever possible, even if you are wearing a mask.

STAY UP TO DATE WITH VACCINES

Vaccinations are strongly recommended for all members of the UAM community to provide the fullest protection against COVID-19. Individuals may be vaccinated on campus by contacting Mainline Health Systems at (870) 224-0647.

CLEAN YOUR HANDS AND WORKSPACE

Disinfectants will be made available in all buildings, and hand sanitizing stands are in place at building entrances. The UAM custodial staff will continue to sanitize all building spaces frequently.

GET TESTED AND REPORT POSITIVES AND EXPOSURES

Mainline Health Systems offers COVID-19 vaccinations and COVID-19 testing on the Monticello campus.

All faculty, staff, and students are asked to fill out the UAM COVID-19 Reporting Form if they believe they are COVID-19 positive or if they believe they have been exposed to COVID-19. As defined by the [CDC](#), "exposed" means you have been in close contact (less than six feet away for more than 15 minutes) with someone who has been confirmed as COVID-19 positive. If this applies to you, using this tool will assist UAM in identifying possible spread and notify Student Health Services or Human Resources, where applicable. The faculty members of students whose class attendance may ultimately be affected by quarantine or isolation will also be notified through this system. UAM is bound to report certain health data to the Arkansas Department of Health and the UA System.

CAMPUS RESOURCES

Mainline Health Systems

Mainline Health Systems offers COVID-19 vaccinations and COVID-19 testing on the Monticello campus. All UAM employees and students can use these services located in the Maxwell Hall Annex during their operating hours.

Hours: Monday–Friday, 7 a.m.–11:30 a.m. and 12 p.m.–3:30 p.m.

Calling ahead is recommended but not required: (870) 224-0647

Student Health Services

The Office of Student Health Services is located in the Randy S. Risher Wellness Center, next to the Gibson University Center (UC). Visits with our campus nurse and student health assistants are available by appointment only during business hours (weekdays from 8 a.m.–4:30 p.m.). [Learn more about available student health resources on the Student Health Services webpage.](#)

[Click here to visit the Student Health Services webpage.](#)

The UAM Counseling Center

The UAM Counseling Center is committed to creating a safe, welcoming, and affirming environment for all. This includes students who access our services as well as all individuals who are part of our university community. Counseling services are provided in the Gibson University Center at no cost to students currently attending UAM. Sessions are typically available Monday–Friday from 8 a.m.–4:30 p.m. Mainline Health Systems has access to psychiatric and medical services and individual and group therapy. Counseling services can be reached at (870) 460-1654.

UAM COVID-19 Information and Updates

Please note that guidance from the [CDC](#), [Arkansas Department of Health](#), and the [University of Arkansas System](#) may change rapidly given the fluidity of the coronavirus pandemic. Any changes will be updated on UAM's COVID-19 Updates webpage and will be communicated through UAM email.
