

March 3, 2021

To: netlist; student

Dear Campus Community,

Many of you are aware that Governor Hutchinson extended the COVID-19 public health emergency until March 31, 2021. It was also announced that the statewide mask mandate will be extended until March 31, 2021 and will end if certain criteria are met.

At this time, we are continuing to assess the situation and listen to the health experts and leaders in the state and on our campuses. **We have not made any changes to our COVID-19 health and safety measures. All visitors, students, faculty, and staff on all three UAM campuses must wear a mask which covers the nose and mouth whenever social distancing of 6' may not be achieved.**

We all have a shared responsibility to maintain our good health and decrease the continued impacts of COVID-19. Thank you for your continued cooperation and understanding as we prioritize the health and safety of our campus community.

#MaskUp

Stay 6 feet from others.

Wash your hands often.

If you're sick, get tested then stay home.

Sincerely,

Crystal Halley, J.D.
