

Music LLC Residential Housing Exemption Request

All appropriate documentation must be provided prior to review. Notice of decision will be made via the student's official UAM email address. A student who has his/her request denied will have the right to appeal.

Because of unforeseen changes in a student's circumstances due to illness or other personal reasons, some petitions can be considered after the expressed dates. Please refer to the UAM Music Living Learning Community Residential Policy for specific information on deadlines and penalties.

An application for exemption from the on-campus Music LLC Residential Requirement does not guarantee nor imply that an exemption will be granted. A student should assume that his/her request has not been granted until he/she receives written notification of approval and should not make other living arrangements or enter into a rental or lease agreement with a third party realtor or lessee until such notification. Having already signed a lease with an off-campus landlord will not be considered a valid reason for an exemption.

Each exemption request is reviewed on a case by case basis. The review committee may request that additional information be provided. Request for additional information will be made via the student's official UAM email address.

Please indicate the initial term for exemption (circle one): Fall / Spring / Summer Year: 20____
